

Roundabout

Approach to this two lane roundabout shows the yellow BIKE symbol at the end of the parking zone to the left of white “edge” line commonly used in Australia to delineate the parking area from the through traffic area. The yellow BIKE in this location positions cyclists to use either lane in the roundabout.

X

Roundabout

Departure from the two lane roundabout shows the yellow BIKE symbol at the start of the parking zone to the left of white “edge” line. The yellow BIKE in this location positions cyclists correctly in relation to parked cars and through traffic.
